Meth Arrest

On Wednesday, September 6th, **Officer Karl Willers** and **Michael Shuda** observed a vehicle known to belong to Nam Srey, 36. The officers were aware that Srey’s driver’s license was suspended, and methamphetamine had been found in the vehicle during a recent traffic stop. As they followed the vehicle, the driver made several quick turns to evade the officers and then parked in front of Srey’s residence. The officers met with Srey, who admitted he knew he should not be driving. Srey also admitted to throwing a glass

methamphetamine pipe out of the vehicle so the officers wouldn’t find it. In searching the vehicle, the officers found several baggies of suspected methamphetamine and another pipe in the vehicle. Srey was arrested. He was charged with 5th degree Controlled Substances, Possession of Drug Paraphernalia and Driving After Suspension. His bail was set at \$10,000 with conditions, in connection with a second case charging him 5th degree Controlled Substances (two counts) from a separate incident.

Virtues Project

As part of our cooperation with the local chapter of The Virtues Project, we're occasionally posting definitions of some of the virtues. More information is at www.virtuesproject.com.

Caring: Caring is giving love and attention to people and

things that matter to you. When you care about people, you help them. You do a careful job, giving your very best effort. You treat people and things gently and respectfully. Caring makes the world a safer place.

Helpfulness: Helpfulness is

being of service to others, doing thoughtful things that make a difference in their lives. Offer your help without waiting to be asked. Ask for help when you need it. When we help each other, we get more done. We make our lives easier.
