## COVID-19 Information

During the COVID-19 pandemic, we are doing our best to continue to serve the community. However, we are also being mindful of CDC recommendations to limit exposure for ourselves and others we come in contact with. Our emergency response will remain the same, but some adjustments will be made for non-emergency situations. Officers may try to resolve the situation by phone, or may keep a distance between themselves and others.

For your part, if you need to speak with an officer, you can always call us at 507-334-4305. This may be a better option versus coming to the police department in person.

Our lobby is only open on a limited basis. If you come here, you're asked to call us at 334-4305 and we'll triage your call. If we can help you through

phone/email, we'll do our best.

Requests for reports can be emailed to:  
[records@ci.faribault.mn.us](mailto:records@ci.faribault.mn.us).

We have also removed Take It to the Box to reduce potential spread of the virus.

To help reduce the potential of virus spread, we are only accepting "Permit to Purchase" electronically at this time.

The form can be found at:  
<https://dps.mn.gov/divisions/bca/bca-divisions/administrative/Documents/Permit-to-Purchase-Transfer-Application.pdf>

When complete, email the form with a photocopy of your driver's license to:  
[records@ci.faribault.mn.us](mailto:records@ci.faribault.mn.us)  
You will receive your permit or a denial letter via mail.

There has been a lot of talk and worry about the "Stay at Home" order issued by the Governor. This order is an attempt to buy some time to get our state more prepared before the peak of the COVID-19 virus hits. Some people are concerned with this order that if they are caught out driving they will be stopped by law enforcement and arrested. Our officers will not be stopping vehicles without probable cause

for either a traffic offense or other criminal matter. We will not be "checking for papers" or proof of employment at this time. People are allowed to be out if they are buying groceries, picking up medicine or any other essential item.

With that said, it is a misdemeanor to be violating this order, however, our goal is to work with and educate the public. We understand that our

While the events of the past couple of weeks may be upsetting, we ask everyone for a little more patience and a little more calm. We are here to do our part to help everyone get through this.

lives must go on, but we need to use precautions to get through this crisis sooner rather than later. If you have any questions or concerns, feel free to contact our office at 507-334-4305. We will be glad to answer any of your questions.

## Domestic Assault Arrest

On Saturday, March 21st, **Officers Dustin Vanderbeek, Sean Smallen, Kara Christensen and Sergeant Brandon Gliem** responded to a reported domestic assault. The victim reported she became upset with the suspect, Levi Mahagnoul, 30, after finding him passed out in the residence. Mahagnoul awoke and began yelling and threatening the victim. She stated he pushed her into a wall and pushed her down onto the floor. Officers

saw a scrape on her arm consistent with her report. Mahagnoul told officers that he did not remember arguing or assaulting the victim. He was arrested and charged with Domestic Assault. He was released on his own recognizance by the court.

## Domestic Violence Assistance

A message from our partners at HOPE Center:

This new reality brings new challenges for many of our clients.

A reminder that we are here and available for you and can help you talk through safety planning, what you can do during this unique time and how to stay safe.

This is also a reminder that victims of violence often experience social isolation, forced social distancing as a tactic of abuse and that this is just another opportunity for perpetrators to continue that isolation. Please reach out to your friends and family during this time, make sure they have access to the National Hotline or to local resources.

## Virtues Project

As part of our support of the Faribault Virtues Project, we occasionally share some of the virtues. This seems like a good time to share a couple more. Remember, we're all in this together.

**Creativity:** the power of imagination. It is discovering your own special talents. Dare to see things in new ways and find different ways to solve problems. With your creativity, you can bring something new into the world.

**Flexibility:** being open to change. You consider others' ideas and feelings and don't insist on your own way. Flexibility gives you creative new ways to get things done. You get rid of bad habits and learn new ones. Flexibility helps you to keep changing for the better.
