**5. Items for Discussion**

**A. Discuss Funding Requests for Chamber/Main Street Programs**

Kuennen stated that over the last few years the EDA has included funding in the annual budget for “other programs” as proposed by outside agencies that further the economic development goals of the city and fit within the EDA’s work plan. The Faribault Area Chamber of Commerce has developed two proposals for the EDA’s consideration – for programs aimed at bringing additional people and investments into the downtown. These program fit within the EDA’s “gateway” focus – specifically “continue investments into the downtown – partnering with City/HRA/HPC/Others on downtown initiatives.

**1. Upstairs Downtown Digital Experience**

Funding Request: \$5000. Kelly Nygaard shared with the EDA the success of the program and explained that the funding would allow additional units to be photographed and shared – expanding access to the transformations to a broader audience. After discussion regarding the ease to update the information, the EDA voiced their support.

**Action:** Motion was made by Albers and seconded by Voracek to approve funding in the amount of \$5000 for the Upstairs Downtown Digital Experience, and directed Staff to prepare any necessary agreements.

**ROLL CALL:**

**Aye:** Albers, Carlander, Drevlow, Viscomi, Voracek and Chair Gramse

**Nay:** None.

Motion carried on a 6/0 vote

## 2. Creative Placemaking

Funding Request: \$6900. Kelly Nygaard presented information about possible placemaking initiatives that would support downtown businesses, proposing a program that would provide small grants to businesses. The program would also include involve working with the Max Musicant Group to build upon the placemaking session held in January and bring those ideas to downtown Faribault. After much discussion, the EDA expressed concerns about the program becoming another “grant” program for businesses – and instead wanted to see refinements to the program to have a broader impact and not just benefit individual businesses. The EDA continued the item, and directed Staff to bring the item back to a future meeting.

## 6. Updates/Project Reports

Staff provided a summary of projects. Included was an overview of current site selector/business development projects; status of the CARES Act Funding and the additional Rice County program; mural selection (the EDA agreed to provide funding for the mural); and a joint marketing effort with Owatonna. In addition, Staff requested that the EDA name a subcommittee to work with Staff on some larger economic development initiatives and planning efforts, which will be brought back to the EDA for review and discussion. Chair Gramse and Voracek volunteered.

## 7. Adjourned
